|  <p>The screenshot shows the Uber mobile app's home screen. At the top, the status bar displays the time 7:46 and various icons. Below the status bar, the Uber logo is visible. A search bar with a magnifying glass icon is positioned below the logo. Underneath the search bar, there are four service selection buttons: 'Trip' (car icon), 'Rentals' (car with person icon), 'Group ride' (group of people icon), and 'Intercity' (car with person icon). A large orange button with the text 'READY? Then let's roll!' is centered below these buttons. At the bottom of the screen, there is a navigation bar with four icons and labels: 'Home' (house icon), 'Services' (car icon), 'Activity' (bell icon), and 'Account' (person icon).</p> | <p><b>HOME SCREEN</b></p> <ol style="list-style-type: none"><li>1. Widgets like trip,intercity,group ride,rentals buttons used</li><li>2. Navigations to account page,services,etc.using the buttons.</li><li>3. When clicked on the search bar it leads to a pickup point search bar widget which will take the input of the place.</li></ol> |

7. Should connect with FireBase database
